# SYNOPSIS

---

The Simon & Garfunkel Story chronicles the amazing journey shared by the folk-rock duo, Paul Simon and Art Garfunkel. It tells the story from their humble beginnings as Tom & Jerry to their incredible success as one of the best- selling music groups of the '60s to their dramatic split in 1970. It culminates with the famous "The Concert in Central Park" reunion in 1981 with more than half a million fans in attendance.

Using state of the art video projection, photos and original film footage, the show also features a full live band performing all of their hits, including "Mrs. Robinson" (featured in the 1967 film *The Graduate*), "Cecilia," "Bridge Over Troubled Water," "Homeward Bound" and many more.

With more than 100 million album sales since 1965, Simon & Garfunkel's perfect harmonies and songs that poignantly captured the times made them one of the most successful folk-rock duos of all time. Over the years, they won 10 Grammy® Awards and were inducted into the Rock and Roll Hall of Fame in 1990. In 1977, their *Bridge Over Troubled Water* album was nominated at the 1977 Brit Awards for Best International Album. In 2003, Simon and Garfunkel were awarded a Grammy® Lifetime Achievement Award and the following year saw their "The Sound of Silence" awarded a Grammy® Hall of Fame Award.
